

Army Corps of Engineers. As Commander of the Nashville District, he managed improvements in navigation, flood damage reduction, hydropower, environmental stewardship, and recreation for the Cumberland and Tennessee River basins.

Colonel DeLapp graduated as a Distinguished Military Graduate from Kansas State University with a Bachelor's of Architecture Degree in 1994. In 2003, he earned his Master's of Science in Construction Management from Texas A&M University.

Colonel DeLapp has accumulated a commendable number of awards for his time served in the U.S. Army, including the Bronze Star, the Meritorious Service Medal, the Army Commendation Medal, and the Army Superior Unit Award, as well as others.

The work the Army Corps does in Southwest Alabama and throughout our country is critical to protecting our local communities, ensuring the free flow of maritime commerce, and protecting our unique coastal ecosystem. Colonel DeLapp has played a pivotal role in ensuring that mission is accomplished on a day-to-day basis, and his leadership will be sorely missed.

On behalf of Alabama's First Congressional District and the countless people his leadership has impacted, I wish Colonel DeLapp all the best upon his retirement. His tireless service to our country will not be forgotten.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
